*Direct: 949.742.3988*

## **Position**

National Equipment Manager, Firecracker Softball, Inc.

## **Business Background**

Robyn has been working around sports and athletic equipment for all of her adult life. She started working with her Dad in a small sporting goods store in NYS. She moved to CA and became a sales rep for Worth Sports/Rawlings. Robyn met Tony Rico while working for Worth Sports. Robyn joined the Firecracker family in 2012. Being a former athlete, she has a keen insight on how to address and meet the needs of softball teams, players, and their families.

## **Softball Background**

Robyn was a 3-sport high school athlete playing field hockey, basketball, and softball. Her love of softball began when she met Leah O'Brien Amico while working for Sport Chalet. Fastpitch softball was her new love, which led her to the Worth Firecrackers, now named Firecrackers Rico/Weil.

## **Family Background**

Robyn was born and raised in Pleasantville, NY, and moved to California in 1994. Her heart still lies with the New York Yankees, and her family is her biggest joy, which is spread across the country. She loves attending Angels baseball games and watching Firecrackers Rico/Weil, travel fastpitch softball, and college softball. She also enjoys playing a little golf.
